Chapter 201.5: The Divine Triad's Troops

After applying the growth rates over 100 years, here’s the updated total numbers for each group within the Divine Triad’s forces:

Updated Numbers After 100 Years:

1. Apostles of God:

New number: 1.8018 billion

2. Dark Apostles:

New number: 2,002 trillion

3. Heavenly Soldiers:

New number: 18.018 quadrillion

4. Shadowkins:

New number: 600.6 trillion

5. Dragonkins:

New number: 15.015 trillion

6. Shadow Lords:

New number: 44,444.0444 quintillion

7. Fiery Dragon Lords:

New number: 6.006 billion

Total Forces Breakdown After 100 Years:

Total in billions:

1.8018 billion (Apostles of God)

+ 6.006 billion (Fiery Dragon Lords)

Total: 7.8078 billion

Total in trillions:

2,002 trillion (Dark Apostles)

+ 600.6 trillion (Shadowkins)

+ 15.015 trillion (Dragonkins)

Total: 2,617.615 trillion

Total in quadrillions:

18.018 quadrillion (Heavenly Soldiers)

Total: 18.018 quadrillion

Total in quintillions:

44,444.0444 quintillion (Shadow Lords)

Total: 44,444.0444 quintillion

Final Total Forces After 100 Years:

Total Forces in Billions: 7.8078 billion

Total Forces in Trillions: 2,617.615 trillion

Total Forces in Quadrillions: 18.018 quadrillion

Total Forces in Quintillions: 44,444.0444 quintillion

This growth reflects the immense expansion of the Divine Triad’s military strength over the course of a century. Their influence and power across the multiverse have surged, making them an even more formidable force in the ongoing balance of existence.

These troops calculation was not including the centillions of materialized shadow soldiers.
